EMERGENCY MOTION FOR EXTENSION OF TIME TO SUPPLEMENT REPLY COMMENTS  
FILED JOINTLY BY ARTHUR EVANS, INDIVIDUALLY (PRO SE) AND  
THE AD HOC COMMITTEE OF INDEPENDENT INFORMATION PROVIDERS

266 Jerico Turnpike, Suite F  
Floral Park, New York, 11001  
516-354-2256

April 23, 1998

Arthur Evans and the Ad Hoc Committee Of Independent Information Providers ("FILERS") herein jointly file this Emergency Motion requesting a five business day extension of time, until Friday, May 1, 1998, to file (jointly) Supplemental Reply Comments in Docket 95-20 and 98-10.

FILERS respectfully request the granting of this extension of time pursuant to COMMISSION regulations including Section 1.46, on the following grounds:

Arthur Evans, acting in behalf of FILERS, was unable to begin participation in this proceeding until April 16, 1998, because of a severe scheduling conflict, involving

- (a): my participation as a Plaintiff in another proceeding involving an April 12, 1998 filing deadline, and
- (b): the April 15 deadline applicable to Internal Revenue Service Filings,
- (c): and the adjacent occurrence of days of religious observance.

In addition, and as a result, of my delayed ability to participate in this proceeding, it was only several days ago when I was able to obtain some of the copies of the initial comments filed by other parties. However, due to a technical emergency, I have been unable to date to obtain a copy of the initial comments of the Alliance for Telecommunications Industry Solutions. from the Internet, because I have been unable to unzip the file in which their comments are located. (Note, upon an earlier referral by COMMISSION Counsel, I had also made a earlier telephone request to this organization for a copy of their

initial comments and ONA procedures, which was inadvertently forgotten).

Most importantly, the granting of the herein requested extension of time to FILERS, will enable the filing of added relevant and material factual information, by the Mass Announcement based news services provider industry segment not elsewhere represented, which in turn will assist the COMMISSION in reaching a proper determination.

Respectfully submitted,

*A.E.*

Arthur Evans
